Continuation of Substance of Interview including description of the general nature of what was discussed: Ms. Saffold indicated that a response was filed to the office action, mailed 6/29/04, and that a FAX log of FAXes sent to the PTO could be provided. Ms. Saffold, however, was informed, via voicemail today, that such a log may document submission of said response, but that this is a Petitionable matter to be reviewed during Revival Petition consideration and that at present a Notice of Abandonment will be sent.
